## Arrival

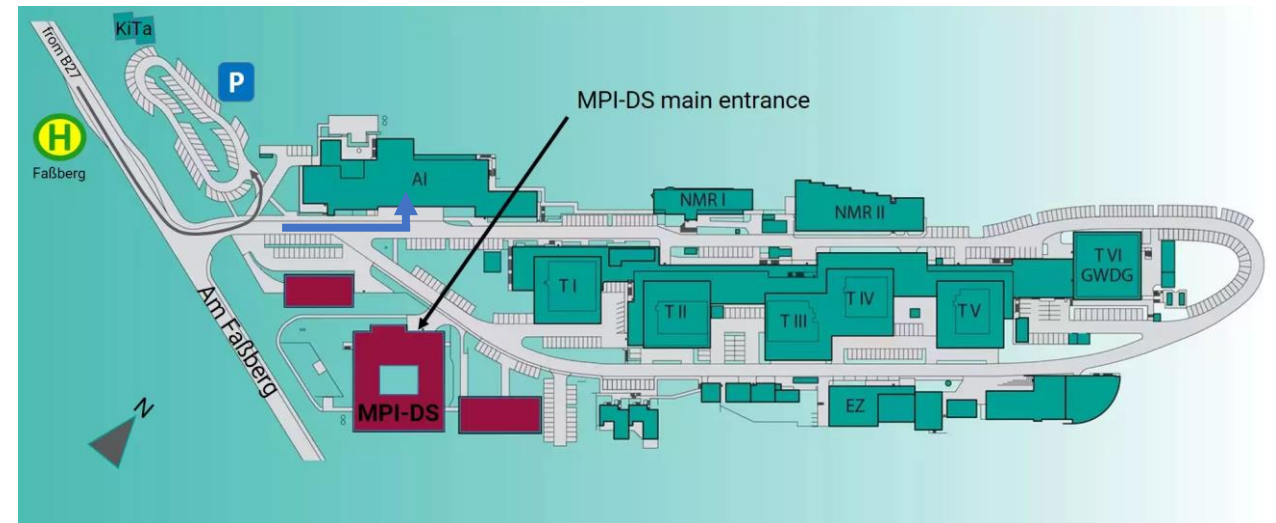

### By Public Transportation

With the ICE (high speed train) via Kassel or Hannover to Göttingen. From the train station, a taxi takes you to the institute in approximately 15 minutes. Alternatively, the buses of lines 21, 22 and 23 (bus platform D, in front of the east exit of the station) take you in 17 minutes to the stop "Faßberg", which is right in front of the institute. From the town center (stops: Geismartor, Jüdenstraße and Weender Straße Ost) you can take bus line 22 in the direction "Nikolausberg" and get off at "Faßberg".

### By Car

Via Kassel or Hannover on the highway A7, take the exit "Göttingen Nord". Drive straight along the B27 towards Braunlage. After approximately 6 km, turn left towards Nikolausberg (signposted). Take the third left to enter the institute's campus. Our institute is the first building to the right.

**Symposium @ Ludwig-Prandtl-Saal**
